

**Town of Duck Lake
Bylaw 2015 - 5**

A BYLAW RESPECTING BUILDINGS

The Municipal Council of the Town of Duck Lake in the Province of Saskatchewan enacts as follows:

SHORT TITLE

1. This bylaw may be cited as the Building Bylaw.

INTERPRETATION / LEGISLATION

2. (1) "Act" means *The Uniform Building and Accessibility Standards Act* being Chapter U-1.2 of the Statutes of Saskatchewan, 1983-84 and amendments.
(2) "Administrative Requirements" means *The Administrative Requirements for Use with the National Building Code*.
(3) "Authorized representative" means a building official appointed by the local authority pursuant to subsection 5(4) of the Act or the municipal official.
(4) "Local authority" means the Town of Duck Lake.
(5) "Regulations" means regulations made pursuant to the Act.
(6) Definitions contained in the *National Building Code (NBC)* and *The Uniform Building and Accessibility Standards Act* and Regulations shall apply in this bylaw.

SCOPE OF THE BYLAW

3. (1) This bylaw applies to matters governed by the Act and Regulations, including the *National Building Code of Canada*, and the Administrative Requirements.
(2) Notwithstanding subsection (1), references and requirements in the Administrative Requirements respecting matters regulated by the Act and Regulations shall not apply.

- (3) Notwithstanding subsection (1), references and requirements in the Administrative Requirements respecting “occupancy permits” shall not apply except as and when required by the local authority or its authorized representative.

GENERAL

4. (1) A permit is required whenever work regulated by the Act and Regulations is to be undertaken.
- (2) No owner or owner's agent shall work or authorize work or allow work to proceed on a project for which a permit is required unless a valid permit exists for the work to be done.
- (3) The granting of any permit that is authorized by this bylaw shall not:
 - (a) entitle the grantee, his successor or assigns, or anyone on his behalf to erect any building that fails to comply with the requirements of any building restriction agreement, bylaw, act and/or regulation affecting the site described in the permit;
 - (b) make either the local authority or its authorized representative liable for damages or otherwise by reason of the fact that a building, the construction, erection, placement, alteration, repair, renovation, demolition, relocation, removal, use or occupancy of which has been authorized by permit, does not comply with the requirements of any building restriction agreement, bylaw, act and/or regulation affecting the site described in the permit.

BUILDING PERMITS

5. (1) Every application for a permit to construct, erect, place, alter, repair, renovate, change occupancy or reconstruct a building shall be in Form A, and shall be accompanied by two sets of the plans and specifications of the proposed building, except that when authorized by the local authority or its authorized representative plans and/or specifications need not be submitted.
- (2) If the work described in an application for a building permit, to the best of the knowledge of the local authority or its authorized representative, complies with the requirements of this bylaw, the local authority, upon receipt of the prescribed fee, shall issue a permit in Form B and return one set of submitted plans to the applicant.
- (3) The local authority may, at its discretion, have plan review, inspection and other services for the purpose of enforcement of the Act and Regulations provided by building officials designated by the minister to assist the local authority pursuant to subsection 4(4) of the Act.
- (4) The local authority may, at its discretion, have plan review, inspection and other services provided by a person, firm or corporation employed under contract to the local authority.

- (5) The permit fee for construction, erection, placement, alteration, repair, renovation or reconstruction of a building shall be calculated based on those listed in Schedule A. As well, there will be a processing fee of 5% in relation to costs invoiced by the Building Official for inspection services. All fees will be subject to GST as applicable. All fees will be collected prior to the issuance of the building permit.
- (6) In the event that construction commences without an approved permit, the permit fees referred to in Section (5) above and set out in Schedule A attached shall be charged at twice the amounts shown.
- (7) The local authority may estimate the value of construction for the work described in an application for building permit, for the purpose of evaluating a permit fee, based on established construction costs, owner's statement of costs or constructor's contract values, or similar methods selected by the local authority.
- (8) Approval in writing from the local authority or its authorized representative is required for any deviation, omission or revision to work for which a permit has been issued under this section.
- (9) All permits issued under this section expire:
- (a) six months from date of issue if work is not commenced within that period, or
 - (b) if work is suspended for a period of six months, or,
 - (c) twelve months from the date of issue of the permit, unless extended by the local authority or its authorized representative in response to a written request from the applicant.
- (10) In the event that a permit expires without the approval set out in (8) above the applicant will be required to pay the full amount of the permit fee to extend the permit time for an additional year. As well, if building codes have changed since the original permit was issued, the applicant may be required to comply with the new code and any reference standards.
- (11) The local authority may, at its discretion, rebate a portion of a permit fee where work is reduced in scope or discontinued, or where other exceptional circumstances occur.

DEMOLITION PERMITS

6. (1) (a) The fee for a permit to demolish a building shall be \$100.00.
- (b) (i) In addition, the applicant shall deposit with the local authority a \$3000.00 security bond to cover the cost of restoring the site after the building has been demolished to such condition that it is, in the opinion of the local authority or its authorized representative, not dangerous to public safety.

The deposit fee as per sub-clause 6(1)(b)(i) will be collected at the time of issuance of the permit.

If the applicant is the registered owner of the property, the deposit will be held until the site is restored to a condition satisfactory to the local authority or its authorized representative and the sum deposited, or portion thereof, shall be refunded.

If the applicant is not the registered owner of the property, the local authority shall be provided with an official authorization from the owner, indicating that the applicant is acting on their behalf, in restoring the site to a condition satisfactory to the local authority or its authorized representative.

- (ii) If the applicant who demolishes the building restores the site to a condition satisfactory to the local authority or its authorized representative, the sum deposited, or a portion thereof, shall be refunded.

- (2) Every application for a permit to demolish a building shall be in Form C.
- (3) Where a building is to be demolished and the local authority or its authorized representative is satisfied that there are no debts or taxes in arrears or taxes outstanding with respect to the building or land on which the building is situated, the local authority, upon receipt of the fee and deposit prescribed, shall issue a permit for the demolition in Form D.
- (4) At least 24 hours prior to demolition, the applicant must:
- (a) arrange with the Town of Duck Lake to have the water and sanitary sewer service connections discontinued at the water and sewer mains and
- (b) arrange with the gas, electric and telephone companies or other utilities to discontinue their services.
- (5) Demolition permits expire six months from the date of issue except that permit may be renewed for six months upon written application to the local authority.

REMOVING, RELOCATION OR PLACEMENT OF BUILDING PERMITS

7. (1) (a) The fee for a permit to remove and/or relocate a building shall be \$100.00.
(b) i) In addition, the applicant shall deposit with the local authority a \$3000 security in cash or bond to cover the cost of restoring the site after the building has been moved or removed to such condition that it is, in the opinion of the local authority or its authorized representative, not dangerous to public safety.

The deposit fee as per sub-clause 7(1)(b)(i) will be collected at the time of issuance of the permit.

If the applicant is the registered owner of the property, the deposit will be held until the site is restored to a condition satisfactory to the local authority or its authorized representative and the sum deposited, or portion thereof, shall be refunded.

If the applicant is not the registered owner of the property, the local authority shall be provided with an official authorization from the owner, indicating that the applicant is acting on their behalf, in restoring the site to a condition satisfactory to the local authority or its authorized representative.

- ii) If the applicant who moves or removes the building restores the site(s) to a condition satisfactory to the local authority or its authorized representative, the sum deposited, or portion thereof, shall be refunded.

(2) Every application for a permit to remove and/or relocate a building shall be in Form C.

(3) Before issuing a permit for the removal and/or relocation, the local authority must be satisfied that:

- (a) the structure of the building is such that the removal and/or relocation can be safely effected;
- (b) that no person other than a licensed building mover will remove or relocate the building;
- (c) that the building shall be moved along a route that, if by reason of its height, is the least likely to occasion damage to municipal facilities;
- (d) that there are no arrears or taxes outstanding with respect to building or land on which building is or will be situated;
- (e) that when the building is placed on its new site and completed, it will conform with all applicable bylaws;
- (f) that the architectural design of the building will not adversely affect the general design of the buildings in the neighbourhood to which the building is to be moved; and
- (g) that the prescribed fee and deposit has been received.

REMOVING, RELOCATION OR PLACEMENT OF BUILDING PERMIT, cont'd.

- 4(a) Where a building is to be removed from the jurisdiction of the local authority, and the local authority or its authorized representative is satisfied that there are no debts or taxes in arrears or taxes outstanding with respect to the building or land on which the building is situated, the local authority upon receipt of the fee and deposit prescribed, shall issue a removal permit in Form D.
- 4(b) Where a building is to be relocated from its site and set upon another site in the local authority, and the local authority or its authorized representative is satisfied that there are no debts or taxes in arrears or taxes outstanding with respect to the building or land on which the building is situated, and the building when placed on its new site and completed, to the best of the knowledge of the local authority or its authorized representative, will conform with the requirements of this bylaw, the local authority, upon receipt of the fee and deposit prescribed, shall issue a permit for the removal in Form D. In addition, the local authority, upon receipt of the fee prescribed in Section 5(5), shall issue a permit for the placement of the building in Form B.
- (c) Where a building is to be relocated from a *site external to the local authority and set upon a site within the local authority*, and the local authority or its authorized representative is satisfied that there are no debts or taxes in arrears or taxes outstanding with respect to the land on which the building is to be situated, and the building when placed on its new site and completed, to the best of the knowledge of the local authority, upon receipt of the fee and deposit prescribed, shall issue a permit for the placement of a building in Form D.
- (5) At least 24 hours prior to the removal and/or relocation, the applicant must:
- (a) arrange with the Town of Duck Lake to have the water and sanitary sewer service connections discontinued at the water and sewer mains; and,
 - (b) arrange with the gas, electric and telephone companies or other utilities to discontinue their services.
- (6) All permits issued under this section expire six months from the date of issue except that a permit may be renewed for six months upon written application to the local authority.

ENFORCEMENT OF BYLAW

8. (1) If any building or part thereof or addition thereto is constructed, erected, placed, altered, repaired, renovated or reconstructed in contravention of any provision of this bylaw, the local authority or its authorized representative may take any measures as permitted by Part V of the Act for the purpose of ensuring compliance with this bylaw including, but not limited to:
- (a) entering a building,
 - (b) ordering production of documents, tests, certificates, etc. relating to a building,
 - (c) taking material samples,
 - (d) issuing notices to owners that order actions within a prescribed time,
 - (e) eliminating unsafe conditions,
 - (f) completing actions, upon an owner's non-compliance with an order, and adding the expenses incurred to the tax payable on the property, and
 - (g) obtaining restraining orders.
- (2) If any building, or part thereof, is in an unsafe condition due to its faulty construction, dilapidated state, abandonment, open or unguarded condition or any other reason, the local authority or its authorized representative may take any measures allowed by subsection (1).
- (3) The owner of a building for which a permit has been issued or for which actions are being taken in compliance with an order shall give notice in writing to the local authority as required in Section 17.2 of the Act including, but not limited to:
- (a) on start, progress and completion of construction,
 - (b) of change in ownership prior to completion of construction, and
 - (c) of intended partial occupancy prior to completion of construction.

SPECIAL CONDITIONS

9. (1) Notwithstanding the requirements of the Regulations, an architect or professional engineer registered in the province of Saskatchewan shall be engaged by the owner for assessment of design and inspection of construction or certification of a building or part of a building where required by the local authority or its authorized representative.
- (2) An up-to-date plan or survey of the site described in a permit or permit application prepared by a registered land surveyor shall be submitted by the owner where required by the local authority or its authorized representative.
- (3) The building site will be surveyed by a registered land surveyor and the lines appropriately marked on the site, to ensure accurate starting points for adequate set-backs and other determinations.

- (4) It shall be the responsibility of the owner to ensure that change in property lines and/or change in ground elevations will not bring the building or an adjacent building into contravention of this bylaw.
- (5) It shall be the responsibility of the owner to arrange for all permits, inspections and certificates required by other applicable bylaws, acts, and regulations.
- (6) All buildings with sump pumps installed to handle drainage of weeping tile will be required to have the sump pump discharge to the rear, if the laneway is paved, or to the front to utilize the existing curb and gutter or storm sewer system, whichever is in place.
- (7) It will be the responsibility of the owner to provide an engineered foundation design sealed by an engineer registered in the Province of Saskatchewan, where a Preserved Wood Foundation (PWF) is to be built
- (8) Fabric covered buildings will not be permitted within the Municipality. An exception may be made where such a structure is properly engineered and suitable for long term use. However, special review and approval by Council would be required.

PENALTY

10. (1) Any person who contravenes any of the provisions of this bylaw shall be liable to the penalties provided in Section 22 of the Act.
- (2) Conviction of a person or corporation for breach of any provision of this bylaw shall not relieve him from compliance therewith.
- (3) Specific to starting construction without paying the appropriate permit and other fees, any persons doing so may be subject to a cost of double the respective fees.

REPEAL OF BYLAW

11. Bylaw No. 5002 is hereby repealed.

EFFECTIVE DATE OF BYLAW

12. This bylaw shall come into force on the date of final approval by the Minister.

Inspection Fees & Charges

Residential: Wagner Inspection Services (WIS) charges an inspection fee of \$960 for a five-part inspection program (first part consists of two billing units for the Plan Review (Drawing) and then one billing unit each for four on-site inspections) for all new residential buildings that are one or two family dwellings and do not exceed 139 m² of developed living space. Dwellings greater than 139 m² of developed living space (m² includes walk-outs and finished basements) are charged \$160 per each additional 50 m² or part thereof. The fees for other residential building projects are listed below.

Commercial: All non-residential buildings, residential buildings that are not one or two family dwellings, and single dwellings with a footprint larger than 600 m², will be charged at \$4.50 per \$1,000 construction cost (although minimum fees do apply). The number of inspections required is dependent upon the size, usage (restaurant, school, etc.), and method of construction (prefab, wood, concrete block, etc.) WIS would assess the number of inspections required at the time of the plan review prior to issuance of a permit. This number is typically is between 5 and 15 inspections, except for larger projects. This fee/\$1,000 may be reduced for projects over 20 million dollars (please inquire, if applicable.)
