

## **TOWN OF DUCK LAKE BYLAW NO 2015 - 4**

### **A BYLAW OF THE TOWN OF DUCK LAKE, IN THE PROVINCE OF SASKATCHEWAN, TO REGULATE BURNING IN THE TOWN OF DUCK LAKE**

**WHEREAS** the Council of the Town of Duck Lake has deemed it expedient to enact a Bylaw for the purpose of prescribing regulations governing the Town of Duck Lake, in the Province of Saskatchewan. The purpose of such regulations is to ensure:

1. the safety, health, protection and well-being of people, and the safety and protection of property; and,
2. preventing and fighting fires;

**NOW THEREFORE** the Council of the Town of Duck Lake enacts the following:

1. No person shall set or start an outdoor fire within the Town of Duck Lake, unless it is done so in a fire-pit, constructed and used in accordance with this By-law.
2. **Outdoor fire pits** may be constructed and used, for recreational purposes only, providing that:
  - a) the fire pit must be fully contained within heavy gauge steel, concrete or cinder blocks,
  - b) the walls of the fire pit must extend above grade level by a minimum of eight (8) inches;
  - c) the fire pit must be located a minimum of twenty-five (25) feet from any buildings and a minimum of fifteen (15) feet from any property line; and
  - d) when in use, the fire pit must be attended by a responsible adult person until the fire has been fully extinguished. The height of the flames must be kept at a manageable height, and a source of water must be kept close enough and be of sufficient volume to fully extinguish the fire.
  - e) no burning in the open air shall be permitted **except** between the hours of **8:00a.m. and midnight**, after which time all open-air fires are to be extinguished.

3. No person shall burn anything in a fire pit other than solid fuel products. Without limiting the generality of that prohibition, no person may burn garbage, recyclables, household waste, lawn clippings, leaves, or any other compostable material in a fire pit.
4. Nothing in this By-law permits or authorizes a person to use a fire pit in a manner that creates a nuisance to any other person.
5. No incinerator shall be constructed, installed or used within the corporate limits of the Town of Duck Lake.  
Burning barrels or any other similar device used for the burning of any household or yard refuse are prohibited.  
Exterior solid fuel burning Hydronic heating Systems shall not be allowed in any residential, commercial or industrial areas within the limits of the Town of Duck Lake.
6. No person shall install a **fireplace** or solid fuel burning appliances in any building in the Town of Duck Lake, without first having obtained approval to do so from the Building Inspector. Approval shall be granted after having obtained a building permit and meeting all regulations pertaining to fireplace installations. Where such a permit is issued to a person, such person after having commenced to install the said fireplace shall not finally enclose such fireplace until an inspection is carried out by the Fire Inspector as to its safety.
7. No **fireworks** shall be discharged from any location within the boundaries of the Town of Duck Lake, without first having obtaining a written permit to do so from the Fire Chief.
8. No person shall **block entrances or exists** to a church, school, rink, hotel, restaurant, night club or other building used by the public as a resort or place of public assembly that any entrance doors or any emergency exit doors are blocked, barred, bolted, or locked in any manner other than with standard panic hardware or a form of quick acting hardware during the time when the building is being publicly used.
9. Whenever flammable liquids or vapors are suspected to emanate from underground or above ground tanks or piping that could cause a hazardous condition, the Town may require drilling of test holes, the testing of tanks and piping, the excavation of tanks and piping, or any other procedure deemed necessary in order to expose and correct the hazardous conditions. If an underground leak is suspected The Saskatchewan Environmental Services Branch shall be notified.
10. No person shall park, place, or leave any **vehicle containing any hazardous substances** or waste dangerous goods on any highway, street, lane or other public place except in accordance with the provisions of the transportation of dangerous goods regulations of Saskatchewan.
11. As for **fire prevention procedures for schools, and other institutions**, the person in charge of every school, care home, business or other organization shall establish a procedure according to approved practice to be followed in the event of fire or an alarm of fire. This procedure shall include the duties of the staff in the event of fire and shall include evacuation routes for the other occupants of the building. The person in charge shall instruct the staff and occupants in the procedure established and shall post the appropriate procedure in a conspicuous place in each area of occupancy.

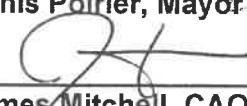

12. No person, industry, company, or manufacturer shall discharge or permit to be discharged into any sanitary sewer, sewer connection, catch basin, ditch, lane or street, any flammable liquid or hazardous chemical whether by itself or in combination with any other liquid or solid.
13. During times when conditions are dry and the risk of fire spreading is high, the Fire Chief, the Town Administrator or one of the Council members will have the authority to declare and enforce a **Fire Ban** throughout the Town, either in full or for specific types of burning.
14. Any person or corporation who contravenes a provision of this by-law is committing an offence and liable on conviction to payment of a fine of not less than
  - f) First offence \$100.00
  - g) Second offence \$200.00
  - h) Third offence \$300.00
  - i) Each subsequent offence \$500.00
15. All fines and cost imposed on a prosecution under this By-law, are a debt owed by the person who set a fire and the owner of the property on which the fire was located, to the Town and may be recovered by the Town in a court of competent jurisdiction or may be collected by the Town in the same manner as a tax may be collected or enforced.

**PASSED** as a by-law of the Town of Duck Lake, in the province of Saskatchewan, this 2<sup>nd</sup> day of June, 2015.
