Dear Members of the Duck Lake Community,

I would like to take this opportunity to sincerely thank the Duck Lake community for the privilege of serving you. It has truly been a pleasure to provide care, build meaningful relationships, and be part of such a supportive and welcoming community.

As I transition to a new role at Sutherland Medical Clinic, where I will begin practice on January 5, 2026, I remain committed to supporting continuity of care during this transition period. I am happy to assist where appropriate, including providing phone visits.

Moving forward, patients may contact Sutherland Medical Clinic at 306-374-9121 to schedule an appointment. In addition, for ongoing medical needs, the Wakaw Clinic remains available and can be reached at 306-233-4443.

Thank you again for the trust, kindness, and support shown to me during my time in Duck Lake. I am deeply grateful for the relationships built and wish the community continued health and well-being.

Wishing you a Merry Christmas and a Happy New Year.

Sincerely,

Carrie Jiali Su, MsN, NP
